      University of Wisconsin Hospital and Clinics

SUBJECT: 2010 Nursing Research Poster Fair

The UW-Madison School of Nursing, UWHC Department of Nursing, and UWHC Nursing Research Council are pleased to announce an opportunity for nurses to present initiated or completed scholarly work at the 5th Annual Nursing Research Poster Fair, scheduled for:

Wednesday, April 28, 2010
7 am – 8 pm
HSLC Atrium

The goal of the fair is to promote scholarship in research, evidence-based practice, quality improvement, and/or other educational/informational projects by showcasing work that: 1) is relevant to nursing audiences and; 2) has been applied (or has the potential to be applied) to contemporary nursing practice.

A “Meet the Poster Presenters” and reception is tentatively scheduled for 1-2PM on the day of the fair.

Posters presented in another venue during the past year are welcome (and do not need to be remade or reformatted). New posters should use the UW-Madison SoN and/or UWHC Nursing Poster Template if possible (see the accompanying application form for additional information).

Completed applications should be submitted by February 15, 2010 to Lisa Simonds, Development Specialist at the School of Nursing (lsimonds@wisc.edu), K6/252, Clinical Science Center (ph: 608-265-2936; fax: 263-5323). Letters of notification will be emailed on March 1, 2010.
