Admit Type: FYR

--- AT LEAST ONE REQUIREMENT HAS NOT BEEN SATISFIED ---

Admission Requirements to the Nursing Program

Admission to the nursing major is available only in the Fall Semester. The following requirements must be met by the end of spring semester,

1) Complete a minimum of 54 degree credits of college work
2) A Cum GPA of a least 2.75 on all under graduate college work
3) The following prerequisites must be completed with a Cum GPA of at least 2.75 (4 of the 7 prerequisites must be completed by the end of the previous fall semester and all 7 must be completed by the end of spring semester)
   - Chemistry
   - Microbiology, Bacteriology, or Biochemistry
   - Human Anatomy
   - Human Physiology
   - Introductory psychology course
   - Introductory sociology course
   - Human Growth & Development

The number of admissions to the program may be limited by University and School of Nursing admission policies; therefore, it is likely that the GPA required to be competitive for admission may be well above the 2.75 minimum GPA.

The application deadline for consideration for admission is February 1 for the following Fall semester. Applications are available on-line through the School of Nursing web site after December 1. We recommend you see an Advisor. Appointments can be made by calling 263-5202.

--- COLUMN 2 ---

THE FOLLOWING DEGREE REQUIREMENTS ARE FOR THE NURSING MAJOR

NO

- General Education Requirements
- Must be met by all students whose first college matriculation date is 5/20/96 or later

A complete list of approved Gen Ed courses appears at 12/17/12 following worldwide web address: http://www.wisc.edu/ohpa/geden.htm

Earned: 2 Sub-Groups

IP+ 1) Communication Part A
   - SP14 English 100003 3.0 INP Intro to College Composition

   - 2) Communication Part B: Complete 1 course with “b” designation in the timetable.

   - 3) Quantitative Reasoning Part A
   - SP14 Math 112 3.0 INP Algebra

   - 4) Quantitative Reasoning Part B: Complete 1 course with “r” designation in the timetable.

   * Note: The following “in Progress” courses have been used in this DARS Report:
   - SP14 ED PSYCH 20 3.0 INP Human Dev-Infancy&Childhood
   - SP14 English 100003 3.0 INP Intro to College Composition
   - SP14 Math 112 3.0 INP Algebra
   - SP14 SOC 120 4.0 INP Marriage and Family

No non-nursing credit requirement - 65-71 (min 65 CRs required - may need additional credits to meet 124 total)

Earned: 26.0 Credits

In-progress 13.0 Credits

-- Needs: 26.0 Credits

*********** CONTINUED ON COLUMN 3 PAGE 2 ***********
Nursing Degree Requirements

1. General Education Requirements
2. Non-Nursing Credit Requirement
3. Science Requirement
4. Humanities/Social Science Requirement
5. Math Requirement
6. Electives in Non-Nursing Courses
7. Nursing Requirement
8. Intermediate/Advanced Level Credit Requirement
9. Ethnic Studies Requirement
10. General Graduation Requirements
Nursing Degree Requirements

1. General Education Requirements
   • Comm-A (literacy proficiency)
     • Satisfied with course work, English placement test, or AP/IB exam
   • Comm-B (college writing)
     • Satisfied with N319
   • QR-A (math or logic)
     • Satisfied with course work (MATH 112), math placement test, or AP/IB exam
   • QR-B (reasoning)
     • Satisfied with course work (e.g., STAT 301), or AP/IB exam

2. Non-Nursing Credit Requirement (65–71cr)
   • All non-nursing courses (those that are not N#)

3. Science Requirement (6 courses / 22cr)
   • #5 Pathology and #6 Pharmacology are completed in first year of nursing
   • #7 lists other non-required science courses completed
Nursing Degree Requirements

4. Humanities/Social Science Requirement (22cr)
   • Most nursing students need/take four courses to satisfy H/SS requirement (13cr)
   • Restrain Class Search by breadth
   • Foreign Language Credits: Course taken counts for Humanities, retro credits are electives

5. Math Requirement
   • Satisfied by 570 on Algebra section of math placement test, AP/IB exam, or Math 112
   • Placement test retest information: www.math.wisc.edu/placement

6. Electives in Non-Nursing Courses (15–27cr)
   • Often satisfied in first two years with parallel plan course work
   • All courses that aren’t directly satisfying a requirement drop into the Electives area
Nursing Degree Requirements

7. Nursing Requirement (53–59cr)
8. Intermediate/Advanced Level Credit Requirement (75cr)
   - 62cr satisfied by required nursing course work
     - 51cr in nursing curriculum
     - 5cr Physiology
     - 3cr Pharmacology
     - 3cr Pathology
   - Most students need to proactively enroll in 4 courses (13cr) at I/A level to satisfy
9. Ethnic Studies Requirement
   - Study and development of multicultural competencies
Nursing Degree Requirements

10. General Graduation Requirements

• 124 total credits
• 2.5 GPA
• 30 credits at UW–Madison
• Only 3 credits of applied courses (personal practice of a subject matter; e.g., Music, Art, Physical Education)
Admission Eligibility Requirements

1. 54 credits
2. 2.75 cumulative GPA
3. Prerequisite Courses
   • Chemistry
   • Microbiology
   • Anatomy
   • Physiology
   • Psychology
   • Sociology
   • Human Growth and Development
4. 2.75 prerequisite GPA
Prerequisites for Admission

1. Chemistry
   - CHEM 103, 108, or 109
   - AP/IB CHEM scores of 4/5 satisfy
   - CHEM 108 is fall-only

2. Microbiology
   - MICRO 101 or BIOCHEM 501
   - With/without lab (lab is not required)

3. Anatomy
   - ANAT 328
   - Spring-only offering

4. Physiology
   - PHYS 335
   - Prereq is CHEM and BIO/ZOO 101

5. Psychology
   - PSYCH 202 or 201
   - AP/IB PSYCH scores of 4/5 satisfy

6. Sociology
   - Any introductory SOC course
   - Some SOC prereqs also satisfy Ethnic Studies

7. Human Growth and Development
Upper Division Admissions Profile--2015 Admissions Data

Admission Considerations

1. Academic Preparation and Performance
2. Leadership
3. Extracurricular Activities and Service
4. Health Care Experience and Professional Goals
5. Diversity in Experience and Background
6. Quality of Application Statements/Essays
Parallel Planning

• You must identify a parallel plan (alternative plan or Plan B) for success in addition to planning for nursing.

• Your parallel plan is vital in the event that your interests/plans/strengths change or you do not gain admission to nursing.

• Finish the sentence:
  • “If I’m not admitted to nursing, then I’ll...”
  • You need to know how this sentence ends by your spring 2016 group advising session.
Possible Parallel Plans

1. Complete a Parallel Major
   - Examples: Biology, Nutritional Sciences, Kinesiology, Rehabilitation Psychology, Genetics, Human Development and Family Studies

2. Transfer to Another Nursing Program
   - Research to learn about admission timelines, prerequisites, etc.

3. Complete a Different Major and Return for a Nursing Degree
   - Two-year or accelerated degree programs (12–15 months)

Note: Reapplying in and of itself is not a parallel plan. Reapplying can be part of a Parallel Plan, but it’s not the plan.
## Spring 2016 Courses and Beyond
