

## U.S. SUMMER INTERNSHIP/EXTERNSHIP RESOURCE GUIDE

Nursing Students: Welcome to the U.S. Summer Internship/Externship Resource Guide. The guide is organized alphabetically by state. In some cases, finalized information was not available for the upcoming year, so continue to visit the websites to confirm application deadlines.

As you will notice, there are many varieties of deadline dates. Some do not mention deadlines at all and some accept applications on a rolling, as-needed basis. Whichever the case, **we recommend applying early!**

**PLEASE REVIEW EACH FACILITY'S WEBSITE THOROUGHLY BEFORE YOU CONTACT A NURSE RECRUITER WITH SPECIFIC QUESTIONS.** If you do not meet the requirements listed here or on the suggested website, contact the nurse recruiter personally, as s/he may be flexible. In the event that the contact provided is no longer at the facility, ask to speak to the person in charge of the externship program. Nearly all of the positions listed below are paid and do not require a CNA.
