

What is the StudentNet (<http://academic.son.wisc.edu/studentnet/>)

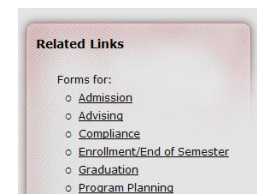

The purpose of the StudentNet is to provide currently enrolled students with detailed information that will assist them during their tenure at the School of Nursing, at any time and from anywhere. While aimed primarily at currently enrolled nursing students, the StudentNET also provides valuable information to prospective students, alumni, as well as others who have interest in our nursing programs. The StudentNet includes information on advising, course enrollment, financial aid, graduation, directories and forms. The site is organized by five main navigation categories: Undergraduate Students, Graduate Students, Career Services/Graduation, Directories, and Forms. These five menu selections always remain at the top of the site to allow for ease of navigation as students browse throughout the StudentNet. It is recommended that students bookmark this web site for easy reference (<http://academic.son.wisc.edu/studentnet/>).

The StudentNet's home page provides students with current Announcements and Scheduled Events, along with quick links to time sensitive information. Announcements will appear on the Student Net for two weeks and then they are moved to archives. Students can access all announcements that were posted throughout the academic year by clicking on the Announcement Archive link, which is located at the bottom of the announcement list.

On each page of the StudentNet, located on the right hand side, is an area labeled "Related Links". The information listed here provides additional information that pertains to that particular subject matter. Be sure to review all the links.

The site is maintained by Academic Programs staff. Students are encouraged to send their comments or suggestions to acadprogs@son.wisc.edu.

Main Navigation Categories and their Purpose

Undergraduate Students	<p>Advising: A listing of advisors and tools to assist students in their program planning.</p> <p>Compliance Requirements: Detail explanation of the School of Nursing compliance requirements students must maintain throughout their tenure as a nursing student.</p> <p>Course/Clinical Information: Students will find information about when, how and where to enroll for their nursing courses. Undergraduate students will find specific material for each nursing clinical and a description of how the ranking process is used to assist with the assignment of clinical placements. Includes a) <i>Course Listing</i> -information about the courses offered by the School of Nursing; b) <i>Planned Course Offerings</i> –two and three year planned course offerings for students to use as a reference tool for long range program planning; c) <i>Student Evaluation of Instruction</i>- Information regarding the evaluation process used at the school and how to access evaluation form; d) <i>Independent Study</i>- descriptions of what independent study courses are available to students and how to get authorized to enroll.</p> <p>Degree Programs/Progression: Course requirements for nursing students are listed under this header, as well as information about the each degree program, Honors program, and PhD Early Entry Option that the school offers. Documentation on Criteria for Satisfactory Progress is located here. Students use this information to monitor their progress through the nursing program, GPA criteria, End-of-Semester Academic Actions and removal process and clinical grading.</p> <p>Financial: Information about School of Nursing Scholarship process and deadline.</p> <p>Licensure/Credentialing: Information about how undergraduate students apply for licensure and the NCLEX exam.</p> <p>Policies and Procedures: Appeals and Grievances document is located here. Students should refer to this document for guidance if they feel they have been treated unfairly within the School of Nursing.</p> <p>Resources: <i>Learning and Support Services</i> will provide information regarding Libraries, Tutoring, McBurney Disability Resource Center, NRSA Guidelines, research poster templates, and the Writing Center. <i>Health/Well Being Services</i> provide links to Counseling Center and University Health Services. Student can also find information regarding <i>Facilities</i>, such as how to obtain a locker, the student communication room, and an interactive campus map as well as links to the Parking and Transportation Office and to the UW-Madison Visitor Center. <i>Financial Information</i> provides information on tuition and fees, travel funding information and a link to the Student Financial Services. <i>Student Professional Organizations</i> is where students can get information about honor societies and student nurse associations.</p>
-------------------------------	--

<p>Graduate Students</p>	<p>Advising: A listing of advisors and tools to assist students in their program planning.</p> <p>Compliance Requirements: Detail explanation of the School of Nursing compliance requirements students must maintain throughout their tenure as a nursing student.</p> <p>Course/Clinical Information: Students will find information about when, how and where to enroll for their nursing courses. Graduate students will have access to information that will describe both clinical and research practica, as well as descriptions of the courses and what the process is to enroll into a practicum. Includes a) <i>Course Listing</i> -information about the courses offered by the School of Nursing; b) <i>Planned Course Offerings</i> –one and three year planned course offerings for students to use as a reference tool for long range program planning; c) <i>Student Evaluation of Instruction</i>- Information regarding the evaluation process used at the school and how to access evaluation form; d) <i>Independent Study</i>- descriptions of what independent study courses are available to students and how to get authorized to enroll.</p> <p>Degree Programs/Progression: Course requirements for nursing students are listed under this header, as well as information about the each degree program that the school offers. Documentation on Criteria for Satisfactory Progress is located here. Students use this information to monitor their progress through the nursing program, GPA criteria, End-of-Semester Academic Actions and removal process and clinical grading. Graduate students have access to information about how to submit a transferring credit request.</p> <p>Financial: Information about School of Nursing Scholarships/Traineeships process and deadline.</p> <p>Licensure/Credentialing: Graduate students have access to national credentialing examination information.</p> <p>Policies and Procedures: Appeals and Grievances document is located here. Students should refer to this document for guidance if they feel they have been treated unfairly within the School of Nursing.</p> <p>Resources: <i>Learning and Support Services</i> will provide information regarding Libraries, Tutoring, McBurney Disability Resource Center, NRSA Guidelines, research poster templates, and the Writing Center. <i>Health/Well Being Services</i> provide links to Counseling Center and University Health Services. Student can also find information regarding <i>Facilities</i>, such as how to obtain a locker, the student communication room, and an interactive campus map as well as links to the Parking and Transportation Office and to the UW-Madison Visitor Center. <i>Financial Information</i> provides information on tuition and fees, travel funding information and a link to the Student Financial Services. <i>Student Professional Organizations</i> is where students can get information about honor societies and student nurse associations.</p>
---------------------------------	---

Career Services/ Graduation	<p>Career Services: Information about how to write a resume and a cover letter, interviewing techniques, and sample resumes.</p> <p>Degree Conferral Information: Information on what nursing students should do their final semester to prepare for graduation. How, when and where to order an official University of Wisconsin-Madison transcript.</p> <p>UW-Madison Commencement: Information about the University of Wisconsin-Madison graduation ceremony.</p> <p>School of Nursing Convocation: Information about the School of Nursing graduation program.</p>
Directories	<p>Academic Programs Office: Provides information about Academic Programs Staff.</p> <p>Faculty Profiles: Provides information about Tenure Track faculty and their area of research interest.</p> <p>PhD Student Profiles: Provides information about PhD Students and their area of research interest.</p> <p>UW-Madison Directory:</p>
Forms	<p>This is the centralized location for forms used by the School of Nursing and the University. All School of Nursing forms can be filled out on-line, and printed. (PDF) indicates you will need the newest version of Adobe Acrobat Reader to access and complete the form.</p>
